

PLEASE LET ME BE VERY CLEAR ABOUT TELEMARKETER CALLS IN INDIANA. OUR CURRENT LAW IS JUST FINE. IT DOES NOT NEED TO BE LESSENERED BY AN OVERRIDING FCC RULE. SINCE THE IMPLEMENTATION OF OUR NO CALL LAW I AND MY FAMILY HAVE NOT HAD THE HASSLE OF RECIEVING UNWANTED TELEMARKETER CALLS. BEFORE WE HAD TO PUT UP WITH HURRYING TO THE PHONE THINKING THAT IT MIGHT BE SOMETHING IMPORTANT ONLY TO FIND THAT IT WAS SOMEONE WHO WASN'T INTELLIGENT ENOUGH TO GET A REAL JOB TRYING TO SELL US SOME FORM OF JUNK. WE DON'T NEED PREVIOUSLY DEALT WITH COMPANIES CALLING US AND INTERRUPTING US EITHER. IF THEY WANT TO PRESENT A SALES PITCH THEY CAN SEND IT THROUGH THE MAIL. THE POST OFFICE NEEDS THE BUSINESS ANYWAY. I REALLY CAN'T DESCRIBE MY TOTAL DISGUST IN KNOWING THAT OUR STATE GOT IT RIGHT AND THAT YOU THE FCC IS CONTEMPLATING MESSING IT UP FOR US. PLEASE DO SOMETHING INTELLIGENT AND LET US DETERMINE OUR OWN LEVEL OF PRIVACY PROTECTION. DON'T OVERRIDE OUR STATE LAW.
